

MAMMA LUNA  
TRAVELING ROADSHOW

*Fahrende Bühne und mehr ...*

The Mamma Luna Traveling Roadshow brings atmosphere and an anchor to the festival. With an open bar selling Bier, Popcorn and Cotton candy we present an opportunity for a meeting place creating the hub for your festival. The Mamma Luna Traveling Roadshow, can be rented with the stage or as a complete package, Bar, Stage and King Pole with lights. It is the option of the organization what type of entertainment appears on the stage, or we can organize a Varieté show to suit.

Casey Bundock and Daniel Warr

Travel costs are 1.00 € per kilometer. All fuel costs will be covered by the organization.

Our truck is a Magirus Deutze 1968 oldtimer with Historical number plates, Diesel, 3.8m high and 7.5ton. Please note this when placing the truck and giving directions on how to drive into the event/festival location (road restrictions, bridges, ect.)

Location: please note the space necessary for the Option you chose. We have technical drawings. We may need to place pins/eathnails (80cm) in the ground. If this is not possible we will need ballast provided.

Upon arrival we need “normal” 24ovolt power to open the truck and being our work. For option’s C & D we need starkstrom 380volt.

When the bar is being rented we will need COLD water in and water out to clean the glasses. We have extension hoses.

We will need security provided by the organization for any over night events. One person from our crew may stay in the truck over night.

Accommodation: our crew will need accommodation 3star or better, with breakfast. With Option D we will need to have the support tent set up, one person from our crew will camp inside (The tent needs to have 40cm harring hammered into the ground). They will need access to a shower.

Catering: the organization will provide 2 meals per day for all crew, or will provide a per diem paid upon arrival for each person in the crew (20Euros per day per person).

All Options will be charged a flat 1,200€ for set up and break down. This is not negotiable.

We require volunteers/hands to help set up and break down. They must be available upon our arrival.

The other people on our crew will remain during the event. Depending on the length of the event we will require more workers, to work the bar. It is also possible that the organizer hires workers to staff the bar.

The stage can be enlarged depending on your needs. The stage is 1.10m off the ground with stairs on the side and handrails. We have a standard stage size of 4m wide and 4.7m deep. For an extra charge we can extend the stage to 6m wide and 4.7 deep. We have stage extensions from TRE NO MAT.

The bar is to be negotiated. The take at the bar, %, can be negotiated. We can come with the bar stocked fully with alcohol and supplies. Then we (Mamma Luna) will take all profits from the bar. If the organization has special needs or requests we are happy to negotiate. If the organization has a sponsor bier/drink company we are also happy to sell this bier/drink at the specified price.

Light Tech: 24x64 par lights with “harting” in and out system  
4 wind up stativ, the KingPole supports the truss for the center lights. The lights are controlled by a DimmerPack and light board.

Sound Tech: The speaker system has 2 high ends and 2 bas bins. The high ends are on 2 wind up stativ’s. The sound is run through a Mulitcore (snakecalbe) stage box. We have 2 DIboxes and cables.

All seating for the stage, ie: benches, tribune, bleachers, are the responsibility of the Organizer.

## RENTAL OPTIONS

	<i>option A</i> Stage only (no sound, no lights) Standard size 4mx5m *stage extension possible	<i>option B</i> Stage only with sound and lights Standard size 4mx5m *stage extension possible
